### Grandpa

Everybody's proud of this sort of Grandpa, and he's proud of himself; proud of his clear brain and active body. There are other kinds of grandparenthood that we can't be proud of. Weak of body and feeble of mind, we can only pity them. They no more live; they only exist. What makes the difference between these two classes of old men? A sound stomach and a plentiful supply of pure, rich blood. Dr. Pierce's Golden Medical Discovery strengthens the stomach, purifies the blood, and increases the activity of the blood-making glands. It won't make old men young, but it will enable old men to assimilate the food they eat, and so strengthen them for a life of reasonable exertion.

"I suffered for six years with constipation and indigestion, during which time I employed several physicians, but they could not reach my case," writes Mr. G. Popplewell, of Hurka Springs, Ark. "I felt that there was no help for me; could not retain food on my stomach; had vertigo and would fall helplessly on the floor. Two years ago I commenced taking Dr. Pierce's Golden Medical Discovery and little by little I was able to do light work, and have been improving ever since. I am now in good health for one of my age—60 years. I owe it all to Dr. Pierce's medicine."

Old people often need a laxative medicine. The best for them is Dr. Pierce's Pleasant Pellets.

**SOUTHERN METHODISTS.**  
The Baltimore Methodist Conference at Roanoke yesterday decided to meet next year in Trinity Church, at Baltimore.

Rev. A. Weller, chairman of the committee on conference relations, recommended the following for the superannuated relation: Nelson Head, Wm. G. Eggleston, Robert Smith, Charles L. Linthicum, James S. Gardner, Ephraim L. Kreggie, Hamilton O. Graves, Francis A. Mercer, P. E. Sizemore, Joe. J. Engle, Aaron Roon, A. Q. Flaherty, James S. Porter, William Hedges, Larkin H. Greenhaw, Sylvanus Townsend, Charles A. Joyce, Joseph J. Crickenberger, John F. Maxwell, Lewis G. Martin, Hamilton W. Kizer, Q. A. Wheat, Jacob S. Hopkins, John O. Tackett, Frank T. Griffith, R. R. S. Hough, J. N. Wolf, Rufus H. Wilson, James M. Anderson, J. L. Shipley and A. P. Bond.

Rev. F. H. Shipley was also recommended for the supernumerary relation.

Rev. William O. Ross was referred to the committee for superannuated relation.

Rev. Dr. Wisner, secretary Board of Church Extension, reported that the collection was about \$3,000 in excess of last year; the Baltimore Conference collection \$375 in excess; payments on loans about the same. Bishop Candler addressed the Conference in the interests of the destroyed Galveston churches and about \$600 was collected.

The following statistics are among the most important in connection with the conference: Collected for superannuates, \$11,374; for Bibles, \$377; for education, \$1,448; for Payne & Lane Institute, \$215. There have been 4,578 accessions to the church this year. The net increase in membership is 433.

Memorials of deceased ministers, Rev. Thomas Beverly, Drs. J. A. Waugh and John C. Jones, were read and eulogistic addresses made.

Rev. T. E. Carson then read the memoir of Rev. J. Hoffman Waugh, D. D. He was born in Alexandria, Va., in 1814, and was a nephew of Bishop Doane. Waugh was given his doctorate by Washington and Lee University, and was one of the most distinguished as well as the oldest men of the conference. Revs. Carson, Armstrong, Denny, Cox, Smithson, Joyce, Kennedy and Hutchinson all paid tributes to Dr. Waugh's fine qualities. Mr. Hutchinson characterized him as "the bravest, truest man" he had ever known.

At the afternoon session when the Moorefield district was called, presiding elder Bell said he had serious charges against J. R. Tilley, of Monterey, Va., who had left the conference. His case was referred to the presiding elder. The trouble, it is understood, is a financial one.

Dr. J. P. Houck, chairman of the joint finance committee, made his report, showing that 94 per cent. of the superannuated allowances would be paid. Dr. L. L. Lloyd said the conference was confronted with a remarkable condition of affairs, with 36 members in the superannuated list—one-fifth of the whole membership.

The characters of John W. Smith, James B. Hopman, J. C. Jeter, J. D. Pope, C. F. McClintock, E. W. Brubaker, William W. Compton and Claude M. Hesser, were passed.

The corporate board reported \$714 on hand. The Conference will adjourn today.

**M. P. CONFERENCE.**  
At the M. P. Conference at Easton, Md., yesterday, the report of committee of Sabbath observance was received and adopted.

The appointment of Rev. H. L. Elderdie, D. D., to the chair of Hebrew in the faculty of instruction was announced by the president. Rev. Walter Graham, D. D., read the report of the treasurer of the board of the Home for the Aged, and also for the president of the board of lady managers. The report was adopted. Dr. J. E. T. Ewell, chairman of the committee on church enterprises, read the report of the committee, which was adopted.

The amount levied for home mission was fixed at \$2,000.

President Melvin offered to give to ministers a list of appointments open to them so they would have a chance to think over the matter, pray over it and then wait. Not being able to commit himself to the ministers generally he would not commit himself to the few.

The evening session was taken up entirely by the report of the committee on ministerial education. Several heated arguments were made by several ministers. The first Wednesday in April, 1902, was appointed for the opening of the annual meeting of the conference. The Cumberland, Md., church has extended an invitation to hold the sessions in that city.

**Beauty Is Blood Deep.**

Begin to-day to banish pimples, boils, blotches, blackheads, and that sickly bilious complexion by taking Cascarella—beauty for ten cents. All druggists, satisfaction guaranteed, 10c, 25c, 50c.

## A Testimonial From Old England.

"I consider Chamberlain's Cough Remedy the best in the world for bronchitis," says Mr. William Savory, of Warrington, England. It has saved my wife's life, she having been a martyr to bronchitis for over six years, being most of the time confined to her bed. She is now quite well." It is a great pleasure to the manufacturers of Chamberlain's Cough Remedy to publish testimonials of this character. They show that great good is being done, pain and suffering relieved and valuable lives restored to health and happiness by this remedy. It is for sale by Richard Gibson, druggist.

Avoid all drying inhalants and use that which cleanses and soothes the membrane. Ely's Cream Balm is such a remedy and cures Catarrh easily and pleasantly. Cold in the head vanishes quickly. Price 50 cents at druggists or by mail.

Catarrh caused difficulty in speaking and to a great extent loss of hearing. By the use of Ely's Cream Balm droppings of mucus has ceased, voice and hearing have greatly improved.—J. W. Davidson, Attorney at Law, Monmouth, Ill.

"Last winter I was confined to my bed with a very bad cold on the lungs. Nothing gave me relief. Finally my wife bought a bottle of One Minute Cough Cure that effected a speedy cure. I cannot speak too highly of that excellent remedy." Mr. T. K. Houseman, Manawatu, Pa.

make a display of some very choice goods in our centre show window.

Just a word on the Matting subject: All the goods we offer are strictly

reliable—not trash—and will give satisfactory wear. The difference

in price between good Mattings and the common trash that is worn out

before the season is ended is a trifle—from \$2 to \$5 per piece of 40 yards

—while a good reliable Matting will wear for three to ten years, depending on the room used and the care taken of it. All our Mattings

are seamless and can be used on both sides. Our prices range from \$7

per roll to \$20, and are less for the same grades than houses in Washington.
